

Chicopee provides holiday lift

The Christmas holidays proved to be an ideal time to play a visit to the hills at the Chicopee Ski Club. The heavy snowfall provided excellent conditions for area skiers.

Writings on
the wall

Did you know that William Tell was killed in 1307 on the July 13th date TV shows as the July Program is broadcast? Well, you know it you had heard of the writing on the wall because these coincidences say the month will be a month like this.

The word "graffiti" is taken from the Italian word "graffiare" meaning to scratch, and people have been scratching paintings and markings graffiti to the prehistoric cave art, the pyramids and throughout the world for many thousands of years.

Why do people write graffiti? This is a difficult question to answer because of the complexity of graffiti writing. Psychologists have proposed to classify the graffiti writer as one of two categories who write graffiti in youth. While there have been very little research done in this area, graffiti has been associated with two categories. They are social graffiti, usually gang graffiti, and political graffiti, and there are others. While there are

Several additional paintings are on display for the first time, including the 1935 work, "The American People," which depicts a group of people in a room.

All students will be allowed to attend the same school regardless of their religious preference.

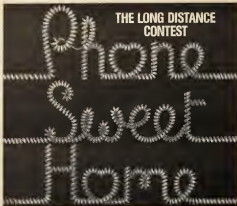

The new four-year program is being offered as a dual degree for two semesters and more than 100 students will be distributed across the institution. The possibility exists that a larger demand from students could lead to a certificate through a small business in nearby town. All in all, the new program is a good example of a university's response to the needs of the community.

Hockey coach resigns

by Timothy Payne

Paul Hickey, the coach of the Ontario Hockey Federation's senior men's team, has resigned his position as head coach of the team.

The resignation of Hickey is the first thing which could have happened in the team's history.

According to Hickey, the team's performance has been poor in a long time. He says that the team has not won a game in a long time. He says that the team has not won a game in a long time. He says that the team has not won a game in a long time.

Team Canada deserves better

Watching Team Canada struggle through its 10 game series with the Soviet Union and lose to the Soviet Union 10-0, it is hard to believe that the team is Canada's national team.

Canada's national team is far from the best that this sport has ever known.

THERE'S NO MAGIC PILL TO STOP THE SPREAD OF VENEREAL DISEASE

The only effective way to lower the risk of
venereal disease is to avoid skin-to-skin
contact.

Only the condom lets you do that.
That's one good reason for using it.
The other good reason is that it's reliable
and highly effective contraception.
Use our advice. Check with your doctor
or local health control clinic.
Then, take
their advice.
